INGUNAPOLIS, The tobar 12, 1858.

MESSES. A. L. Scowitt, & Co.,

Gents, :—I am hardly able to express my gratitude for the benefit which my daughter has derived from the use of Dr. Mott's Liver Pills. New had been treatbled with what the physician called Liver Complaint; but our doctor failed to give her any plaint; but our declar falled to give her any permanent relief, although she tried his prescriptions effectually. She had become melancholy, unhappy, and her constitution was much broken down by the use of Mercury. She tried Dr. Mott's Liver Pills, and soon began to get hetter. I am happy to say that she has now entirely recovered her health.

Respectfully yours, JAMES COBB. COSTIVENESS CURED.

Gents, .-This is to certify that I have used Dr. Mott's Liver Pills in billions attacks, and found them to be the best Pills that I ever used for that purpose; and I have also used them as a Cathartic Medicine, and have found but little use for a Physician since I had them in my family.

Gents. -- I have found Dr. Mott's Gents.:—I have found Dr. Mott's Liver Pills one of the best medicines for Dyspepsia that I ever used. I had been afflicted with the disease for more than six months, and my victuals disturbed my stomach, often to such a degree as to cause vomiting. I was most of the time costive. I found that the l'ills kept my bowels open, without griping or pain. I have actually gained in weight, since using them,—being ten pounds heavier than when I commenced. I owe my cure solely to use of the Pills.

I have been using Dr. Mott's Liver Pills for some time. I find that I can break these attacks in a day or so, and escape entirely the fever. My daughter had an attack of Dyspepsia, which distressed her much; she could not cat scarcely anything without becoming nauscated at her stomach continually. Some time since she got and has been using coming namested at her stomach continually. Some time since she got and has been using Dr. Mott's Liver Pills, and she now is like another being.
